JOHANNUS AND JOSEPHUS.
There was a farmer had two sons,
And those two sons were brothers—
Johannus was the name of one,
Josephus was the other's.

When they had grown to man's estate
They said, "We have a feeling
That we can make a fortune great
By plain and fancy sealing."

Johannus took the evil way,
And when he got a jag on,
He slipped into a barn one day
And stole a horse and wagon.

But when Josephus went to steal
In his bluff, honest, halibut way,
He made a little Wall street deal
And neatly stole a railway.

Johannus met the horse thief's fate,
And now jail doth hunker:
Josephus, decked with honors great,
Is now a wealthy banker.

There was a dance at Limestone Fire Hall
last night. Music by Austin's Orchestra.

Mr. George H. Traxel has just placed a new
heater in the bathrooms of the Y. M. C. A.

Mr. Thomas Brannon, who has been ill with
fever at his home at Lewisburg, is improving.

Plans are being drawn for an up-to-date two-
story residence for Colonel William C. Watkins,
to be erected on the site of his present home in
East Third street.

Officer Rosser this morning located a pair of
bicycles, which were stolen yesterday at Port-
smouth and sold in this city. The thieves had
gone on to Cincinnati.

There has been less street cleaning this sum-
mer than for years; yet our thoroughfares have
been noticeable, owing to their cleanly condi-
tions. The shower-baths from above did the
work.

What will the Woggle Bug say when our
military returns to resume business at the old
stand—barrooms—and makes night hideous
with their drunken brawls and fights? Echo
answers, what?

Owing to the absence of Dr. J. C. Molloy,
there will be no services at the Central Pres-
byterian Church tomorrow, except Sunday-
school. Prayer meeting next week will be held
Thursday evening, conducted by the Pastor.

The way your uncle Gilbert Collins is making
a hole in the ground on the Government site is
a caution. When it comes to digging and re-
moving dirt he is right there with both feet.
Tom Guilfoyle is head boss with 14 assistants.

Captain C. M. Phister has had shipwrights at
work on the upper grade the past week building
a submarine boat which he will use in calking
the wharfboat. It is rather expensive but costs
less money than taking the boat to Cincinnati
and docking.

Mr. Gus McGrath will move his family here
from Lexington next week. Mr. McGrath is
the foreman of the workmen who will erect the
Government Building here. The LEDGER ex-
tends a cordial welcome and hopes he will find
our city a pleasant abiding place.

The Baldwin Detective Company, a corpora-
tion, now has charge of the fly men on the C.
and O. Railway. Reports are made to that
organization altogether. The Chief has sent
out a warning that special men should be a little
shy in giving information to newspapers.

If the job pans out as it has started off G. B.
Collins will be a millionaire! While ex-
cavating yesterday at the Government site he
picked up one of Uncle Sam's bright \$10 gold
pieces. Shortly afterwards a boy picked up
another and in consequence there is considerable
excitement over the new found Klondike.

A class in French, under the instruction of
Mrs. George T. Barbour, has been added to the
Department of Languages at Hayswood.
The class is not only for the benefit of the
pupils, but for any others who may desire to
join it. Any further information regarding
terms, etc., may be obtained by calling at the
Seminary.

You fellows that have your poles ready to
knock the political persimmon at the coming
election for county offices had better hang out
your red flags, as an earnest of good faith.
In other words it is about time you were calling
around and letting your announcement in THE
LEDGER and letting the voters know you are in
the fight and mean to win.

Cherries and Strawberries...

SOCIAL EVENTS

The beautiful and hospitable country seat of
Mr. and Mrs. William McClellan near Northfork
was in splendor and royal purple last evening,
the occasion being the dining of a coterie of
genial gentlemen, consisting of bankers, law-
yers and leading merchants of this city.

The table was set in courses and the menu
was elaborate and choice.

Time passed rapidly and joyously with wit
and converse and at a seasonable hour the com-
pany departed.

Among the number present were J. Foster
Barbour, W. W. Ball, Judge G. S. Wall, David
Hechinger and Edward Parker.

Home.

She desires that her plate and the gold watch
of her husband be melted and sold and the pro-
ceeds given to someone needy Southern Presbyterian

LIVELY SCENE

A Runaway Horse Scatterings Things
Along East Fourth Street

Last afternoon about 5:30 o'clock Mr. D.
F. Campbell, a merchant of Mt. Gilead, started
for home in his buggy, and when he had reached
a point East of Brown & Davis' blacksmith shop
on the Flemingsburg Pike, a wheel came off and
threw Mr. Campbell out.

The animal frightened and ran a consider-
able distance before being stopped.

In its flight the horse was struck on the hock
by the iron axle and severely cut.

The contents of the buggy, consisting of
merchandise, were scattered in every direction.

The buggy was damaged somewhat, but for-
tunately Mr. Campbell escaped with a few slight
scratches and bruises.

He can thank his lucky stars that he came
out of the mix up as well as he did.

Mr. Thomas Winter and Mrs. Sam White
were driving down Fourth street at the time
and very narrowly escaped colliding with the
runaway.

H. Frank will make an address on "The Busi-

Much-needed improvements are contemplated

least two right-up-to-now establishments of
this sort.

Are invited to look over our E. H. Van Ingen & Co.'s Suitings and Trouserings. Under the supervision of our cutter, Mr. Mack, and the
very best sewing force it has ever been our fortune to bring here, our Tailoring Department is already rushed with fall orders.

We bought our Rochester-made Clothing, the acknowledged "best" in the world, in quantities that enable us to sell it at prices that the most
economical will find satisfactory.

There are a number of people who expect to buy a good Fall Suit at \$7.50 to \$8.50. Many say it can't be done. We say "it can." Ask to
see our Fall Suits at these prices. Other stores mark them at \$10 and \$12.

How would it do for PARKER to commit his party to absolute self-government for the Filipinos thirty days after the same is granted to the Negroes of the South?

UNLESS the Democrats can enlist the hearty support of flood, fire and famine between now and November, their hopes of success are not worth 29 cents on the dollar.

THERE would probably be some real Democratic enthusiasm in the campaign if Mr. Hill would retire now, instead of on January 1st, and quit hoodooing the candidate.

ANOTHER one of the Acts of the late unenacted Legislature has "got in bad." At Covington Judge MACKOY has declared that the Act amending the registration law is unconstitutional. The amendment requires each registered voter to have a certificate of registration before he can exercise the privilege of voting.

The Constitution itself, Judge MACKOY pointed out, fixes the qualification for a voter and provides who shall not vote. "The Act under consideration," he said, "disqualifies a person from voting who loses his certificate, and if he would exercise the privilege of voting he must pay a stipulated fee of 50 cents in order to procure a duplicate certificate of registration, none of which is required under the Constitution."

An appeal was taken from Judge MACKOY's decision, and the case will go at once to the Court of Appeals.

Gage 4.7 and falling.

River matters are at a standstill, except for the lightest boats.

The Cando has resumed her trips between Portsmouth and Rome.

The big towboat Sprague is having her cylinders encased in steel sheets at Pittsburgh to give additional strength.

The steamer Big Kanawha passed down this morning with about all she could handle on the present low stage of water.

The Big Kanawha will pass up tonight for Portsmouth, returning tomorrow. She is the only boat now plying in the up river trade.

The stanch little packet boat Addie T., anchored under the C. and O. Railroad Bridge at Cincinnati recovering the Grapevine's machinery, it is reported, will be a regular packet from Cincinnati to Higginport. Robert Taylor, her owner, may charter her to one of the packet companies. Whether she will be entered as an independent boat has not yet been decided. Another boat, to be built the same size and for the same purpose, will be equipped with part of the machinery now being removed from the bulk of the Grapevine.

Captain Charles Menges, Harbor Master of the Monongahela Consolidated Coal and Mining Company for the Cincinnati District, is having the harbors cleaned and deepened along the landings of the company in the Queen City in a novel way. The big towboat, Alice Brown, is used for the work. The head of the boat is run squarely against the bank and then the immense and powerful wheel is set in full motion. The disturbance of the water drives out the sand and silt in a short time. Since work was commenced more than 500 feet of the harbor, which is 1,200 feet long, have been cleared of all obstructions.

The cleanest town in the United States is said to be Shakertown, Ky., inhabited by Shakers. It has a large brick hotel, but no business houses.

OUGHT TO SEE THEM

The Handsomest Calendars Ever Shown in This City

The business man who spends his money in Maysville, simply puts that money into the hands of people who will in turn spend it with him again.

Did you ever think of that?

The business man who spends his money for printing in Louisville, or Cincinnati, or Chicago, or New York, puts that money into the hands of people who never did, nor ever will, spend a dollar in his store.

Did you ever think of that?

Now, in order that a good deal of this money may be kept at home, and spent by home workers and home employers with home merchants, The Ledger Printery has secured the handsomest line of Calendars ever seen in this city, with a price limit to suit every need.

Heavens of Ointments for Catarrh That Contain Mercury.

Its mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75¢ per bottle. Take Hall's Family Pills for constipation.
